Finance FAQs – Himanshu Pvt Limited

Q1: How do I submit an expense report?

A: Use the Finance portal and attach all supporting receipts for reimbursement.

Q2: Who approves business travel expenses?

A: Immediate supervisors and the Finance Manager must approve all travel expenses.

Q3: What is the reimbursement timeline?

A: Standard processing is within 15 working days after submitting a valid request.

Q4: How do I report a financial discrepancy?

A: Notify the Finance Manager immediately with supporting documentation.

Q5: Can I claim personal expenses?

A: No. Only business-related expenses are eligible for reimbursement.

Q6: How are budgets monitored?

A: Departments track spending against approved budgets. Significant deviations require Finance approval.

Q7: What is the process for vendor payments?

A: Vendors submit invoices, which are verified and approved before processing payments.

Q8: How do I request a petty cash advance?

A: Submit a request to Finance with justification and obtain approval from your manager.

Q9: What documentation is required for travel expenses?

A: Receipts, boarding passes, and approvals from supervisors must be submitted.

Q10: Who handles payroll-related queries?

A: Contact HR or the Finance department for salary, bonus, or deduction inquiries.

Q11: Can I request reimbursement for training or courses?

A: Yes, if approved by your manager and aligned with professional development policies.

Q12: How do I submit invoices for payment?

A: Submit invoices through the Finance portal with supporting purchase orders and approvals.

Q13: What is the process for budget approval?

A: Departments submit annual or quarterly budgets. Finance reviews and management approves them.

Q14: How often are financial audits conducted?

A: Internal audits are conducted quarterly, and external audits are conducted annually.

Q15: How do I handle advance payments for projects?

A: Submit an advance request to Finance with project details and obtain necessary approvals.

Q16: Are there policies for reimbursing meal or entertainment expenses?

A: Yes, only reasonable business-related meal or entertainment expenses are reimbursable with receipts.

Q17: How do I handle discrepancies in vendor invoices?

A: Notify Finance immediately and provide supporting documents to resolve discrepancies.

Q18: Can I approve purchases or payments?

A: Only authorized employees with Finance delegation can approve purchases or payments.

Q19: How are company assets and capital expenditures tracked?

A: Finance records all assets and capital expenditures in the asset management system.

Q20: What happens if financial policies are violated?

A: Violations may result in disciplinary actions, retraining, or legal consequences depending on severity.
